

Forte Twirl and Dance Studio COVID-19 Policy

Updated November 2021

Face masks recommended

Students are recommended to wear a mask upon entering and exiting the studio. Once the student is inside the classroom in their socially distanced spot, they are welcome to remove their face covering for class. Forte staff are required to wear a mask at all times. Any adult that has to enter the studio is required to wear a mask.

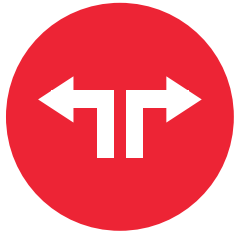

What to bring

We ask that students come to class fully prepared and dressed. No outside food or drink (other than water) is allowed. Students may bring a water bottle, their baton (if they have a personal one) and a small bag with their shoes if needed.

Hand sanitizer encouraged

Hand sanitizer is provided by Forte Twirl and Dance Studio. Students are recommended to use hand sanitizer upon entering and exiting the studio.

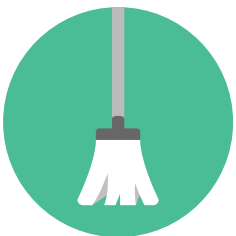

Social distancing

All students are asked to maintain distance in the lobby and the studio. We will work to maintain distance between students during classes.

Lobby is closed

In order to comply with capacity guidelines, the studio's lobby is currently closed. We ask that parents wait outside with your student until the instructor comes to the door to let the next class into the studio. Once class concludes, students can be picked up from the front door.

Enhanced studio and equipment cleaning

All batons and mats are sanitized between classes. Comprehensive cleaning and sanitization is performed daily to make sure Forte Twirl and Dance Studio is in compliance with CDC guidelines.

*Thank you for your attention to these guidelines
as we work to provide a safe environment for all!*
