How much are classes?

Monthly Tuition = \$85 Per Class Enrolled. Each class meets weekly.

Tuition is a flat fee for each class in which a student is enrolled. Forte Dance and Twirl Studio's classes meet once per week; however, our tuition is not determined by a certain number of classes occurring during the billing period. The number of classes per month may differ based on holidays/closed dates but will not be prorated. There is no refund for missed classes.

The only instance in which tuition is adjusted is for new student enrollment. If a student joins after the start of the semester, the first month will be adjusted based on the number of classes remaining during the billing period.

How do I register for classes?

A one-time Registration fee of \$40 is due upon registration for each dancer. Families can register for classes at the front desk or through the online Parent Portal. A link to the Parent Portal can be found on Forte's website. The Parent Portal is how each family can manage their account, register for future classes and make payments. For first time users, log in with the email address on file and select 'Reset Password' to finish creating an account.

What does my child need for dance class?

The dress code varies based on dance discipline. The dress code for your specific class can be found on our website www.fortedancetwirl.com. Dancewear for your specific class can be purchased from our shop at <https://www.shopnimbly.com/fortedancetwirl>. Please note - if you order jazz/ballet shoes online, be sure to double check sizing information as jazz/ballet shoes are sized differently from standard sneakers.

What is Forte's Showcase?

Showcase is our year-end show! This season, Forte's Showcase is tentatively scheduled for Saturday, May 11th 2025. Each student (with the exception of Acro classes) has the option to perform in our Showcase. This is a super fun opportunity for your dancer to show off their skills and invite family and friends. Details for the Showcase are shared in early 2025.
